Recently...

Mom and dad looks happy.

I asked them why, and they said dad's LD Final is finally recognized, and will be sponsored by Seong Won Hospital.

I should talk more about this now that I talk about it.

I apologized to Ji Hoon for what happened 9 years ago.

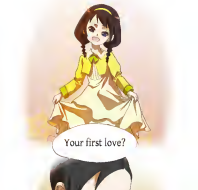
He went home after the music festival.

Ji Hoon had...

A strange expression on his face, and asked why I was bringing up something that happened such a long time ago?

Uwaaa!

What was that?! You knew her from primary school, and even after you turned, she changed into a dryluk and protected you?!
Ugh
It's cheesy... very cheesy
Blush!

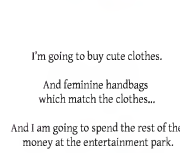


And supported by
Ji Hoon's dad, LD Final
will be used in therapy
for the mentally ill.

Especially...

They said that it will be used to treat Ji Hoon's mother, who went crazy after the accident.

As it was Ji Hoon's father who nursed and protected his family for 9 years, he was moved by the program and hopes to be able to use it successfully on his wife. That's what my father said with a smile.



I got some money which
I had forgotten about.

I'm going to buy cute clothes.

And feminine handbags
which match the clothes...

And I am going to spend the rest of the money at the entertainment park.

I want to buy something delicious for him.

And if he doesn't tell
me that I'm pretty today,
I will sulk for a week, so
he better be prepared.

Afterword

e-mail
Do you want to be a manhwa artist?
I'm a manhwa artist
I'll do it.
Maybe a pretty boy?
Bak PD
I want a school life fantasy from you. Full in a teenage audience.
Yes.
Bak PD
Ah, but you have your original fan base, so it can't be too childish.
You want me to do it complicated but sumply, roughly but softly, shortly but lengthly...
Please give me a week to think about the story...
Okay.
After a week...
Here's a good story!
Bak PD
Wow, what's it about?
The main heroine is given to God as autistic boy!
Bak PD
.....
Bak PD
ain't that... too obvious?
It's too obvious...
Repeater A
It's just like every other manhwa
It's a boring story.
Repeater B
No
No
There are lots of stories like that already!
Ugh...

Memory of the
days I was training
to become a manhwa artist.

I'm sorry...it's a lie...when I said that they are charming...Hahaha!

They're not charming...
they're all psychos.

Some readers might get annoyed with the characters and won't read the story. Hahahaha!

But! If it's interesting, then it's going to work out fantastic!
I will do everything that you asked me to. Please don't worry about it

And <What the Skylark says> is finished now, after going through this process.

Q1. Please tell me your gender.

A1. I'm a woman. The photo on my profile is my face.... When I put on makeup. Earlier some students made fun of me and said I look like comedian Bi Ho Wang. Let me wipe my tears away...T_T

Q2. Why did Ji Hoon's mom do something like that in your story?

A2. I read a newspaper a very long time ago. It was about an incident with a young professor who strangled her four year old autistic son, killing him. The female professor said, "I was worried about how he was going to live, because I was going to die of old age before him, and that's why I did it."....That's what she said. You must not have not have understood me well because I struggle to express myself. I will study more.

Q3. What your next project going to be like?

A3. I showed you a short story with 26 Episodes because the Daum company wanted me to do it this way. So I had a lot of restrictions when telling this story. I want to see you again with something that I want to my way^^.

But I heard from my friend, "Your manhwa has improved compared to the ones you did that had lots of otaku and dumb stuff."

Hahahaha

And here are people who deserve a big thank-you.
